Welcome our new Health Services Director!

Felicia is a Utah native who moved to Colorado a year ago with her husband and two daughters, Joslyn and Addilyn (9 and 10). She loves camping, games, and time outdoors with her family. Welcome to the team!

Warmest Welcome to Our New Residents! Vinny

Ask him about the Kansas City Chiefs and be ready to talk, he's cheered them on for years. These days, he's settling in with a good show on TV and getting to know the friendly faces around here. Just don't offer him dessert unless you're ready to share!

Resident of the Month

Ed, once an avid hiker and biker, this month's honoree has always loved staying active and that spirit hasn't slowed down. These days, he enjoys walking, playing bingo, and holding his own in just about any card game, especially poker. Give him a pool table and he'll happily line up a shot, or hand him a good mystery novel and he'll be lost in the story for hours. And he never turns down a chance to head out for lunch with good company.

Whether he's shuffling cards, calling "Bingo!", or sinking the eight ball, he brings warmth and enthusiasm to everything he does. Congratulations on being our Resident of the Month!
