Resident of the Month

Steve, Our Resident of the Month, finds joy in the simple things that make life meaningful. He especially enjoys spending time outside, taking in the fresh air and beauty of the outdoors. His faith is also an important part of his life, and he treasures quiet moments spent in prayer. Most of all, he loves connecting with his family and spending time talking and sharing stories with the people he cares about. Of course, no story about him would be complete without mentioning two of his favorite things: oatmeal raisin cookies and a nice glass of unsweet tea!
